

DANIELLE'S SUCCESS STORY

Great news to start off this new month. Danielle McInnis, one of our former At Your Service and Job Readiness Training participants, was promoted to Front Desk Supervisor at the Boxer Hotel!

Danielle came to CWS in June 2017. Like many of our participants, she was motivated and determined to learn new skills to start her career in Hotel & Hospitality. She showed up every day, had perfect attendance, and completed the program in time. After graduating, she began working with CWS Placement Specialist and within a week, got a job as member of the Front Desk department at the Boxer Hotel. She showed great work ethic and as of last month, she supervises the Front Desk.

Please join us in congratulating Danielle!
