

GRADUATION TIME! + OTHER EXCITING CWS NEWS

It's that time of the year again! On June 28, 40 participants graduate from CWS. They'll have completed their Food Arts, Commercial Cleaning, Commercial Production, At Your Services or Job Readiness Training, which means they are **ready to work**. We'll celebrate their achievements from 11:00AM-12:00PM on the 4th floor. Graduation is a very exciting time for all of us here at CWS and we'd love for **everyone to attend!**

CWS Job Fair

When it comes to job searching, Job Fairs are a great way to get an idea of the companies you want to work for. You'll have a chance to meet the employer in person and, more importantly, they have a chance to meet **you**. You become more than just a resume to them. In your elevator speech, you can give them an idea of what it is you're looking for and how you can benefit their organization. CWS is organizing a Job Fair after our Graduation Ceremony, from 12:00-1:00PM. Come prepared, bring your resume and practice your elevator speech!

Here are some of the companies that will attend the CWS Job Fair:

City of Champions Celebration

On Thursday evening, May 9th, CWS held its inaugural City of Champions celebration gala. The event, which attracted a sold-out crowd, featured the lives and legacies of six distinguished honorees, including Boston's mayor, **Martin Walsh**. We anticipate this to be the first of many years of celebrations honoring individuals who are making a difference in Boston.
