

Congratulations, Graduates!

Congratulations, graduates! The CWS 2019 graduation ceremony on June 28 was a great success. Students graduated from Food Arts, Commercial Cleaning, Commercial Production, At Your Services or Job Readiness Training, and earned their certificates. A special thanks goes out to our guest speaker, Robert Turner, Program Coordinator at the Mayor's Office of Returning Citizens. Robert attested to the major accomplishments of all participants and reminded them of the great example they set for their community. Family, friends, employers, and our government funders and supporters celebrated participants' great accomplishment at CWS. We saw a lot of smiles, a few tears of joy and look forward to working with participants in Placement Services.

CWS Hosts First Job Fair

After the ceremony, we hosted our first CWS Job Fair. Participants had the opportunity to meet with Delaware North, Flour Bakery, Star Market, Boston College, Finesse Hospitality, People Ready, The Boxer Hotel and JobGet. We appreciate all the employers for providing job openings to our participants.

State Senators Visit CWS

What an amazing opportunity for our staff and participants to meet with Senator Jamie Eldridge, Senator Pat Jehlen, and Quinn Diaz, Outreach Director of Senator Will Brownsberger! On our recently upgraded first floor office space, we explored solutions concerning the numerous roadblocks for men and women who return from incarceration. Our aim is to alleviate those roadblocks and we're thankful to have a partner in the State Senate.

Volunteer Opportunities

We truly appreciate your willingness to prepare our participants for success. Here are ways you can help:

- Mock Interviews with Participants
- Share your expertise on your industry
- Inform participants about your company's hiring process at Job Club
